(Dangle)
It will take sometime but it will stick back on if I do this.
Wow…
(Shhhhhhhhhhh)
By the way, why is a vengeful ghost trying to kill you?
That's exactly what I want to know.

That's what sorcerers do and we don't do that.

Have you not subdued vengeful ghosts before?
I saw a vengeful ghost for the first time and I don't know what to do…

Our character is not the same now as when you were constrained in the past.

Red eyes and sharp pupils are their main features.
Ordinary vengeful ghosts aren't that strong ...
That's immensurable.
The strength of vengeful ghosts is proportional to how strong the grudge was ...
